Sing into the silence

(Verse 1)

One voice is all you need

When you're all alone

Just so long as you commence

Into the moonlite glow

There's always transcendence

When you sing into the silence

With a candle in the dark

As you sing into the silence

(Chorus)

Sing into the silence

Don't need to have a sequence

No need to be apprehensible

So sing on into the silence

Just for the complacence

There's nothing reprehensible

Don't need to have a sequence

To sing into the silence

(Verse 2)

Every note is off key

Every word is out of tone

Yet it don't make no difference

When there's not a single soul

There's nothing obstentatious

When you sing into the silence

Don't think yourself eccentric

Just sing into the silence

(Repeat Chorus)

(Verse 3)

Sing on til' you're asleep

Sing on til' the light is shone

Sing your every sentence

Or sing a song you already know

Could be sitting on a couch

When you sing into the silence

So sing on into the silence

Sing into the silence

(Repeat Chorus)
